

Teaching sessions

There are 22 children, 11 boys and 11 girls enrolled in the Flying Birds School in the month of March. 19 Children regularly attended the school on regular basis. All 8 children continued their study in regular government school.

First Term Evaluation

The children have been divided in two groups for teaching sessions- senior and junior level. As per their syllabus two sets of exam papers were designed. Both the groups appeared for their first term assessments from 16 to 27 March. All the children were confident during the tests and the same was reflected in their results. The evaluation of the answer sheets has indicated the excellent performance of the children. The children were very happy after results were shared with them.

Crafts, Dance and Games Sessions

Ms. Shikha continued her crafts and dance trainings for the children. It was ensured that every child participate in extra-curricular activities as per his/her interest. Regular games session are done with the children.

Cultural Events- SRHU Foundation Day

SRHU Foundation Day was celebrated in HIHT campus from 12-14 March. The children of the Flying Birds participated in the event on 14th March. The children showcased a lively performance on a folk song in front of the huge audience. Everyone appreciated the performance of the children.

Honorable Vice Chancellor, SRHU personally felicitated the children for performing at the event as well as celebrating the regional festival Phooldei which marks welcoming the onset of spring.

Hon'ble Vice Chancellor, SRHU felicitating the girls

Mid-Day Meal and Refreshments

The fresh and nutritious mid-day meal was continually served in the school. To address the nutritional needs of the children, banana and biscuits were also provided to them as refreshments. Children also enjoyed to have ice cream one day.

Children enjoying the Ice cream

Health Camp

Every last Saturday of the month, Health camp is conducted in the Flying Birds to check the health status of the children. Each and every child is checked thoroughly by the health camp team. In March, the camp was conducted on 31 March. Total 17 children, 8 boys and 9 girls were examined in the camp. 3 Children were having dental issues, while the three suffering from cold and cough. Skin problems were found in 3 children. No health issues were found in 4 Children. Two parents also sought consultation from the doctor.

Visit to Government School

To know the progress of the children enrolled in the government school, Mrs. Usha Singh and Ms. Jyoti visited the school on 15 March. They interacted with the class teacher and the principal of the school. As informed by the teachers, the performance of the children is satisfactory in the school. It was also shared that the children also participated in painting competition.
